

# Calcutta Centre Activities

**Mr. Kamal Sethia**  
Chairman / Kolkata State Centre  
ISLE

A lecture meeting was organised along with AGM for 2016-17 of ISLE AGM on 26.03.2018 at Dr. B R Ambedkar hall, Nizam Palace, CPWD, Kolkata.

Chairman, Mr. Kamal Sethia, welcomed the guests and introduced the speakers. Other details are given here :

1. Mr. Durga Prasad Konhar, Superintendent

Engineer, CPWD, Intelligent Lighting. Power point presentation of the topic was well presented, covering all the salient features of its role and applications.

2. Prof. Suddhasatwa Chakraborty, Jadavpur University, Human centric Lighting. Power point of his research paper was presented covering various aspects of lighting effects on human including exact lighting intensity required over a day with colours. The paper was based on extensive experiments and analysis.

3. Tapan Kumar Ghosal, Hon. Secretary, ISLE, CSC, Quality of power in Electrical distribution system.

His presentation basically dealt with the various distortions of grid power, viz, prolonged low voltages, harmonics generated due to certain non-linear devices, and its effects as a whole.

The lecture meeting was attended by ISLE Members and guests from CPWD.

The lecture meeting concluded with a vote of thanks by Mr. Tapan Kumar Ghosal, Hon. Secretary, ISLE, CSC.
