

# Chennai Centre Activities

## Technical Seminar with two lectures

**Lecture 1 - Retail Lighting including Atmospheric, Lecture 2- The Future of LED Lighting**

Date : 27-4-2018, Venue : IBIS Hotel, Anna Salai, Chennai, No of Participants : 44

In line with the suggestions of the Governing Body of ISLE, Chennai State Centre organised a technical seminar at the end of the GB meeting and the Annual General Body Meeting of ISLE on 27th April 2018 so that the GB members and those attending the AGM will be benefited.

Chairman / Chennai State Centre extended a warm welcome to the participants and the GB members for the seminar and briefly introduced the two guest faculties namely Mr.Senthikumar Madasamy and Ms Hemalatha.

President / ISLE, Mr.Dilip Kumbhat

inaugurated the seminar, stressing the importance of such technical seminars and how it helps to update ourselves in spite of all the busy schedules.

The first lecture by Architect Hemalatha addressed “Retail Lighting including Atmospheric, Shop Design considerations and Lighting Elements in Retail Stores“ Influence of lighting characteristics on human perception, advancement in colour rendition metrics etc., were presented in the lecture.

The second lecture by Mr.Senthikumar Madasamy on the Future of LED lighting

was an eye opener on many of the emerging technologies in LED and how things are going to take a turn in the next few years. There was a question answer session and the seminar ended with a dinner.

**Mr. R.Nagarajan**

Chairman / Chennai State Centre / ISLE
