

## **CALCUTTA STATE CENTRE**

### **Lecture on Electrical Distribution Systems**

March 12, 2013, Kolkata

Calcutta State Centre in collaboration with Hager India organised a lecture on electrical distribution systems at Nizam Palace in Kolkata.

Mr. Kamal Sethia, Chairman Calcutta State Centre welcomed the ISLE members and thanked Hager India for arranging the technical lecture. He gave a brief preview of the forthcoming events being organised by the State Centre; a Business Meet at KIIT in Bhubaneswar on April 6 and

7 together with the opening of a new Local Centre at Bhubaneswar; a seminar on World Sun Day to be organised jointly by ISLE, Jadavpur University and the Solar Society of India ER on May 4-5; and the Lighting Conference, Seminar and Exhibition on December 13 and 14 at the National Library in Kolkata.

Mr. Hufeza Poonawala, Manager Marketing Operations, Hager India gave a lecture and demonstration of electrical distribution products and systems (MCCB, MCB, RCCB, ELCB etc.). The presentation was appreciated by the ISLE members.
