

INDORE LOCAL CENTRE

Lecture on the Optimisation of Lighting in Buildings

December 27, 2009, Indore

A lecture on the Optimisation of Lighting in Buildings by senior Architect, Dr. Kiran P. Shinde was organised by Indore Local Centre.

The lecture covered lighting in both interior and exterior applications. To illustrate various optimization techniques, he used examples from the lighting of hotels and hospitals.

The welcome address was made by Mr. Sameer Kotwal and the vote of thanks was given by Mr. Dinesh Wadhwa.
