

MUMBAI STATE CENTRE

Lecture on Evolution in Lighting Technology

October 30, 2009, Mumbai

An informative and interesting lecture on Evolution in Lighting Technology was made by Mr. K. Naveen, GM, Bajaj Electricals, Mumbai and Hon. Secretary, ISLE MSC on 30.10.2009. After taking the audience through the developments in Lighting, details were also given on the latest trends in SSL/LED and their application for several areas. The programme was arranged at the Nehru Planetarium in Worli and was well attended by members, students and lighting professionals.
